Re: Holy Family Radio, Inc. (HFR)
WHYF (AM), Shiremanstown, PA
Facility Identification Number: 26973
Special Temporary Authority (STA)
BESTA-20190822ABC

Dear Ms. Girven:

This is about the request filed on August 22, 2019. HFR requests a further extension of the STA granted on June 25, 2010, to continue operating at an alternate site until after further action on BP-20190830ABB has been taken.¹ In support of the request, we noted that additional time will be required since the application remains pending at this time.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and HFR may continue to operate with the following facilities:

¹ WHYF is licensed for ND daytime-only operation on 720 kHz with 2 kW, and BP-20190830ABB proposes a new transmitter site with a shorter tower.

Geographic coordinates	40° 12' 58" N, 76° 58' 08" W (NAD 1927)
Frequency	720 KHz
Hours of operation	Daytime only
Operating power	Not to exceed 2 kW
Antenna type	Horizontal wire
Antenna efficiency	240 mV/m/km/kW
Overall height	18 meters (60')

HFR must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **March 9, 2020**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'J' followed by a series of loops and a long horizontal stroke.

Joseph Szczesny, Engineer
